

**General Manager Report on District Activities**  
**Board of Trustees Meeting**  
**July 9, 2009**

1. Restroom updates have been completed.
2. Contacted appraisers to evaluate our District's and the Fire District's property.
3. Issued a news release announcing the logo contest winners as well as our new logo. Unfortunately, no media outlets ran the story.
4. Met with Supervisor Carbahal to introduce myself and discuss issues related to vector control.
5. Met with Leslie Van Buren from the IRS to resolve some reporting issues related to District payroll and 1099's.
6. Working with Ed Albrecht, a representative from Met Life, regarding alternative health care options and additional retirement options for District staff.
7. Attended the Santa Barbara County Retirement System reception on June 9<sup>th</sup>. Met the new CEO of the retirement system, Vincent Brown.
8. Initiated discussions with an alternate uniform provider in relation to options available with new logo and new uniforms.
9. Researching server and new workstation options for the District.
10. Soliciting quotes from printing companies to produce vehicle signage, letterhead, business cards, service request forms and select brochures displaying the new logo.
11. Sold truck #99 through Mission Truck Sales in Goleta. Will be developing an RFP for the purchase of a mid-sized hybrid passenger vehicle with the proceeds from the sale of this truck, the van and the boom lift.
12. Continue to develop website.
